Heading Vs Brand (sports houses)

Welcome to week 3 of term 3. This week we are seeing the lines being marked on the oval ready for our school athletics on Thursday. The day will start at 9am as usual. We will be looking at the teams to make sure we have an even spread across the grades. All parent and family members are welcome so please feel free to come along. Although we are a small school, this athletics day is something that the children really enjoy. We will be sending out the program tomorrow. At the end of the day during ball games we would love to be able to field a parents team for the kids...

Parent teacher interviews

I would like to start holding some parent teacher interviews next week, with either myself or Mrs Moorrees. We will send out a timetable tomorrow for parents to pick a time. We are very flexible but would really love to catch up with all of our parents. Timetable to come home tomorrow.

Weekly reports

The weekly reports are continuing, we have made some adjustments, however the message is still clear in letting you know how our child is going week in week out.

ARD visit

Today we had Mr Paul Wood visit the school to have a look around. He spent 2 hours this morning having a look around and talking to some of the students. He was very impressed with the reading ability of some of our students and the eagerness to have a go at reading in front of their class mates.

PAT testing this week

This week we have allocated a number of Pat diagnostic tests to be conducted. These tests are simply a way for tracking students progress and highlighting areas of need. With the results we can better tailor teaching to meet the students needs. The tests have been Reading and comprehension, maths and Vocabulary.
