Welcome to week 8

It is hard to believe that we only have 3 weeks of school left this term. This week is the last week Mr Tucker will be with us, it has been great having him at school and I know the students have enjoyed getting to know him. I would like to wish him all the best in his future career, I am sure he will do very well. Where ever he ends up.

Australian Army Band

Last week our school travelled into Gayndah to watch the Army band at the town hall, it was a great experience which I am sure all our students enjoyed.

From the classroom

Our students are currently learning about Australian history, we have done some work around the first fleet and the Aboriginal dreamtime. Today we started a timeline outlining some of the significant events in our countries history. Quiz your child and see how much they can remember.

Staffing

This week I will be having an office day on Wednesday so Mrs Riggs will be here for the day. At this stage I have a visitors from district office coming on Friday so I might have a supply teacher also here for the day.

School website update

Mrs Meyer and I will take part in the second workshop today after school to teach us how to manage our school sight. There are 4 workshops to complete, so keep and eye out for some exciting new stuff on the web.

This Friday the special tuckshop menu is: A Hamburger, apple crumble & a popper. Cost $4.

I think we consider too much the luck of the early bird and not enough of the bad luck of the early worm.

Franklin Roosevelt

1. I give milk and have a horn, but I’m not a cow. Who am I?
2. I have four legs but no tail. Usually I am heard only at night. Who am I?
3. A father’s child, a mother’s child, yet no one’s son. Who am I?
4. I have an eye but cannot see. I am stronger and faster than any man alive but have no limbs. Who am I?
5. I live in the canopy. I rarely touch the forest floor. I hang upside down all day. I move as slow as a tortoise. My hair is brown and green. I eat tree leaves. Who am I?
6. Not my sister nor my brother but still the child of my mother and father. Who am I?
7. I am sneaky and pesky and when I seek for truth, it often gets me in trouble. Who am I?
8. You can take away my letters, my name stays the same. The letters you take I’ll never reclaim because when their gone, my name stays the same. Who am I?

Daft Dave, our local DIY expert, is renovating the local hospital.

He has to number each of the rooms in the hospital with plastic numbers.

However, he has run out of the number 9.

How many 9’s must Dave buy in order to number all 1,000 rooms?

**Answer: 300**

Start with:
9, 19, 29, 39, 49, 59, 69, 79, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99—which is 20 9s. We then repeat this for 100, 200, 300, up to 900—which is 200 9s. But from 900 to 999 we have an extra 1

Each of these words can have the same letter placed at the beginning and the end to form a new word. For example LIT becomes ELITE by adding an E at both ends. What are the new words?
