From the Principal’s Desk

Welcome to week 2 term 3
Aussie Oi, Aussie Oi, Aussie Aussie Aussie Oi Oi Oi. Our kids are learning about the Olympics this term, they have looked at a variety of athletes and also some of the mascots that have taken part in the games in the past or are at the London games. Some of the mascots are rather interesting. We are planning at looking at some of the different sports played at the Olympics.

Small school athletics
Rain, mist, sunshine,. Wet grass soaking through the socks, but still the show must go on. This was the small schools athletics carnival held in Mundubbera last week. The people typified the country spirit, (just get on with it).

While I was sitting listening to the presentation speech from Mrs Whelan I was looking around at all the happy faces on both parents and students and I was thinking what a great group of people. Everyone helped out and got the job done, they didn’t let a little rain dampen the day. Great job everyone.

Thanks to all those parents that were able to make it for the day, I know the students appreciate the effort it took to get them and you there for the day. I would also like to congratulate all of our students on their attitude on the day. We had everyone involved and supporting not only their class mates but all competitors. Well done.

I hope everyone enjoyed my sizzling starts at the beginning of each topic. I do try hard.

Cheers Andrew

Keep reading
Fantasy, fiction, Fairy tales, villains, heroes, its all in a book. Keep those kids reading. Even after a two week break I have noticed a fall in reading levels in some students. 10 minutes a night is all it takes, it doesn’t have to be painful, but it will make a huge difference. 10 minutes a night is 70 minutes a week, 4.6 hours a month and 55 hours a year. Imagine the difference that can make.

School Photos
Say cheese, snap, smile, photo time again. We are planning on having our school photos on September the 3rd forms will be sent home soon.
