From the Principal’s Desk

This term in the classroom

Over the next 5 weeks all of our grades will be looking at being persuasive. These people who write the national curriculum obviously have never been shopping to IGA with kids. Kids already know how to be persuasive when they see a treat that they like.

Anyway seriously the P-2 group will be looking at a variety of fairy tales and then giving a personal opinion on which one is their favourite and why. The 3-4 group will be writing a persuasive letter and the 5,6,7s are to write a persuasive speech.

We have also started looking at a play for the end of year night, its very good and I am sure the students will enjoy it, they always do.

In numeracy we will be working with angles and protractors, describing acute, obtuse, reflex and right angles.

New School Website

Check it out. Our new school website is up and running. It looks great and as we now manage it, it makes it easier for us to keep it up to date with current information. Thanks to Mrs Meyer for all her great work.

Pre-prep Program term 4

On Wednesday our new preps that will be attending our school next year are going to come for a visit and see how things run. This is a chance for them to have a look around and get to know the routine and therefore have an idea of what to expect next year. They will be at school every Wednesday from week 2 to week 9.

Swimming term 4

Swimming this term will take place in week 8 and 9. We will be swimming Mon, Tues, Thurs and Friday for the 2 weeks.

Gymnastics Program

Over the next 5 weeks we will have a gymnastics coach come to our school each Friday to conduct a gymnastics program for our students. Hopefully all of our parents have received a permission slip already. The program looks great, it is run by fully qualified personnel and I am sure the students will enjoy the experience.

QSR (Quadrennial School Review)

Our QSR is to be completed this term. I hope everyone received a short survey last week with lots of pretty traffic lights and colours. The feedback on these surveys help give a view of where people see and would like to see the school head in the future. Sometimes we assume we know what people want but might have totally the wrong idea. Please return the forms ASAP.

Cheers Andrew

Tuckshop

Tuck shop this week will be a chicken Chilli (not spicy) wrap, a popper and a cupcake. $4. Please order and pay by Thursday so food can be ordered.

FUN FACTS WITH JAYCIA

Nickname: Jaysh
Favourite Colour: Purple
Favourite animal: Dolphin
Famous person I would like to meet: The Wanted
Why? Because they sing the best songs
Favourite TV show/movie: Looney Tunes Back in Action
On the weekend I like to: Do art with mum

Below is a very special grid, around each shaded number are 8 white squares. However, each white square should have a number from 1 to 7. Once filled in, these 8 numbers will sum to the shaded number. In addition, once completed correctly, no row nor column will contain a duplicate number within a white square. For example, the top row may be 5 6 4 2 3 1 7, etc.

Giggle Corner - with Betty

WHERE'S YOUR MUM?
She finished cleaning the house and took the car to the park for a run.

WHERE'S YOUR FRIEND FOR LUNCH?

THEN SHE WAS GOING TO STOP BY THE MARKET TO GET SOMETHING TASTY TO MAKE FOR DINNER.

WOW! SHE'S REALLY PUTTING US TO SHAME, ISN'T SHE?

Sure, she is.

I'M GOOD WITH THAT.

Did she say when she'd be back?

She said after the run, she was going to stop by the gym.

GAME ON!
MCDA Presents

BOOT CAMP

At Binjour School

Starts Thursday 8th November – 6am

Thursday & Saturday Mornings – 6am

4 weeks

Come to one session or all sessions

Cost: Free
