Welcome to week 6 of term 2 already, time is certainly flying NAPLAN completed for yet another year. On a personal note; I was at the concert on Friday night and was asked if I was leaving Binning, Mrs Goldie and I are moving into Gayndah but I am not leaving the school. We are moving into our own house which is very exciting for Mrs Goldie; we have never lived in our own house. We will be moving on the 24th of June and I will be travelling out each day.

School starting times
As you may be aware our school times are 9am to 3 pm. We currently have students getting here before 8 and leaving at close to 4pm. The bus is also getting here at about 7:45 – 7:50am. As this is the case, some other schools have a 9 day fortnight. They start earlier each day, longer day’s means one day less per fortnight. It works for Monogorilby and the Principal saves money by having her admin day on the off Friday. This is an idea I have not investigated at all to see if it is possible, I am just seeking interest or absolutely not from our parents before I was to even think about looking in to it. There are of course positives and negatives but at the end of the day nothing would be looked at unless everyone thought it would work for them.

Orange festival float
I hope you have all received and returned the notes in relation to your child being on the Binning Float for the Orange festival. There is a $5 fee to buy some groovy props. If you haven’t please let us know so the organisers know who they need to organise.

Premiers Reading Challenge
Students wishing to take the challenge can register individually on the website. The reading period runs 14 May to 6 September. A special bookmark to track progress will be available for students to cut out in The Courier-Mail next Tuesday (21 May). For more information visit the Premier’s Reading Challenge website at http://education.qld.gov.au/schools/readingchallenge

Volleyball competition
We have some keen interest in our volleyball day. After much talk we have decided to drop the price to $5 per player. Five dollars for a day of fun with friends and family. Well actually Mr Goldie wrote the wrong price. Hope to see you all there.

We extend to your members and the students of your State School an invitation to attend our Annual Sports Day on Saturday, 15th June 2013. Events will commence at 9.00am sharp and as in previous years the Monogorilby P&C will be conducting a canteen throughout the day.

Medallions for the day include Champion and Runner-Up for each age level from 2001-2008, ribbons for all age groups for individual track and field events. The 13 year olds however must compete in 50% of events to be eligible for the Age Champion medallion.

There is no limit to the number of competitors in each event. Consequently all competitors will be automatically entered into each available event for their age. Please note that only Juniors and Seniors compete in the 200m and 800m and the Minors compete in the 400m.

Please ensure all attendees bring shoes and a coat as we do have prickles and it can get very cold. Please also bring your own relay batons and ballgame balls.

A small measure of craziness mixed with a reasonable amount of eccentricity is an attractive alternative to conformity.
