From the Principal’s Desk

Back to the old days

We were informed a few days ago that on the 15th of next month Ergon energy will need to turn the power off to the school for the day to do some major repairs on the lines. This will of course mean we have no power at all for the day, which also means no water as we run on pumps. Please ensure your child has a water bottle on that day. We are also looking at the issue of no toilets either.

Not sure how to deal with this one, if anyone has any ideas please let me know. We can deal with having no power everywhere else, not sure about the toilets though. ???????

Cheers Andrew

Get started returns for round 2

The second round of the Queensland Government’s Get Started program is now open, offering vouchers worth up to $150 to help families pay membership fees for children to join a registered sport or recreation club.

Children with a parent or guardian who holds a health care or pension concession card are automatically eligible to apply, while other families will need to submit recommendations from two referral agents. Applications are processed on a first come, first served basis.

From the reading tent

The Mundubbera Community Development with the provision of the Reading Tent are putting a major focus on the importance of early literacy and reading with children.

Reading with Babies and children helps to build a good foundation to help children learn to read and write at school. Shared reading with parents and caregivers is one of the best ways to learn that books and reading are fun.

We are not trying to teach children to read before they are ready but want to support parents and caregivers to read with children and develop a love of books from an early age and with this in mind we have developed the ‘Reading Tent’.

We aim to provide a 45 minute experience whereby we read a book interactively with children and families, followed by 45 minutes of activities surrounding this chosen book. We also encourage family members to read to their children and give ideas about all forms of literacy, including rhyming, musicality and discussing books with children.

Can you complete the grid without forming a 3-In-A-Row of the same colour.

Each row and column has an equal number of Blue and White squares.
Do you have a child in year 4, 5 or 6?

In 2001 (over 12 years ago) the Government introduced the ‘Child Tax Offset’ and surprisingly many Australians did not know about it and have NOT claimed any benefits.

HAVE YOU MISSED OUT ON THOUSANDS OF DOLLARS?

If your child was born between 1 July 2001 and 30 June 2004 you may be eligible to receive up to $12,500 of entitlements.

The government has now put a deadline on this entitlement so please email childoffset@twelve.com.au to receive more information or call us on 9524 2744.
