Tender items
Our school and P&C have a number of items to tender off. An outline of the items for tender is as follows:
- Greenfield ride on mower
- International Tractor B250
- Rotary Slasher Page class DZ
- Rainwater tank (approximately 2000litres)

If you would like to come and inspect any of the above items please contact the school to make an appointment. Tender forms can be collected from the school from Wednesday 26th of March 2014.

Sports News
On Monday a Number of our students travelled to Mundubbera for the North Burnett Soccer trials, they all did themselves extremely proud and should be extremely proud of their achievements especially as it was very hot and humid. These players will be going on to Harvey Bay next term to compete in the winter carnival. Jaycia Adams, Abby Adams, Meisje Anbeek and Rhythm Anbeek. Congratulations to all those who tried out on the day it was a great effort.

Wrist bands – behaviour management
All of our students met the 40 band target set at the beginning of the term which has been a great effort on their behalf. Therefore we will be having a popcorn and video session tomorrow for all the students. It was to be on the last day but due to the cross country we will be doing it on Thursday instead.

Home readers
This term has gone by extremely quickly; some of our students have made some real progress in the area of reading. Please keep them going over the holidays; 10 minutes a night, it can be fun. 10 minutes night would be 1 hour and 10 minutes a week, or 2 hours and 20 minutes over the entire two week break. It does make a huge difference.

School Uniforms
If your child/children require a new uniform could you please have orders in by the first week of term two, so we can order sizes.

Tuckshop
There will be NO TUCKSHOP this Friday.

**Children With Type 1 Diabetes - Are You Challenged by Your Child’s Diabetes?**

Research into parenting children with type 1 diabetes.

The University of Queensland is conducting research into parenting children with type 1 diabetes. Parenting a child with diabetes presents many challenges (everything from the regular blood glucose monitoring and insulin intake, to more general parenting tasks). The aim of this study is to understand the factors that make the management of childhood diabetes particularly difficult, and to use this information to develop strategies that might assist parents in managing their child’s diabetes.

If you are a parent of a 2 to 10-year-old child with type 1 diabetes, we would love to hear from you!

By sharing your experiences (confidentially), you will be making a valuable contribution to the development of much-needed childhood diabetes management strategies for parents.

To complete the online survey, please log on to: https://exp.psy.uq.edu.au/type1diabetes

For further information about the project or to request a survey to be posted to you, please email Aditi Lohan (aditi.lohan@uqconnect.edu.au) or call (07 33 65 7689) at the Parenting and Family Support Centre in the School of Psychology at the University of Queensland, St Lucia QLD 4072 (Fax: 07 3365 6724).

Thank you for your time and participation.
