**High school Transition days**

The first transition day for all those students considering going to Mundubbera next year for high school is being held on the 11th of September. The day is all day. Students will meet with the school Principal, secondary staff and then spend the rest of the day with the class group.

**Mundubbera District participation carnival**

Mundubbera and District Primary Sports Committee have decided to run the participation carnival at Mundubbera State P-10 again this year on Friday 12th September. Students from Eidsvold, Mundubbera, Boynewood, Binjour and Monogorilby will be involved in a round robin competition. The three sports being played this year are soccer, netball and touch. Students have chosen the sport in which they would like to play and they will be placed in mixed teams. There will be some year 10 sports rec students umpiring.

Please be aware that this is a participation carnival and students will not have the opportunity to advance to further trials.

Lunch Pre-order forms are attached to the permission form. please return to school our school ASAP.

Please note if your child is participating you will need to get them to Mundubbera.

**School Photos**

Our school photos will be taken on Wednesday the 17th of September. Please find notes attached. Please return these notes ASAP.

**Lecturette competition**

There will be a North Burnett Lecturette competition being held in Gayndah on the 17th of September for all grade 6 and 7 students in the district. This is not compulsory but all students in those grades are welcome to compete. Students are asked to prepare and present a 3 minute talk on a topic of their choice.

Prep - Year 2 News

Hello everyone…it is lovely to see most of our students are back at school this week. We have had a special treat with Mrs Goldie in the junior room today while I was doing curriculum planning for next term. Everyone is doing a fantastic job with their phonics, handwriting and spelling. We have been learning to write interesting sentences using our functional grammar skills, today we had so much fun writing a comedy piece.

Maths in the junior room has been very exciting, we have been working with place value and using MAB to expand numbers, we have been shopping and exploring change, counting money and have had a lot of hands on carpet activities.

We have had many fruitful discussions about our technology project and will be completing our design over the next week.

Students are finding our scientific study of mini beasts very interesting and they are learning so much. This week we have been focussing on the insect family and next week we will be looking at the arachnid family.
Next week is the end of term and we will be doing testing with the students. It would be great, if possible, to have all students present.
Cheers,
Deb

Quote of the week

A KOOKABURRA IS THE ONLY BIRD THAT JUMPS, FLIES AND LAUGHS AT EVERYTHING.

Poem for parents

TO EVERY PARENT

There are little eyes upon you, 
And they are watching night and day; 
There are little ears that quickly take 
In every word you say; 
There are little hands all eager to do 
Everything you do, 
And a little child who's dreaming of 
The day they'll be like you.

Footprints
"Walk a little slower, Daddy," 
said a child so small. 
"I'm following in your footsteps 
and I don't want to fall."

Sometimes your steps are very fast, 
Sometimes they're hard to see; 
So walk a little slower, Daddy, 
For you are leading me.

Someday when I'm all grown up, 
You're what I want to be; 
Then I will have a little child 
Who'll want to follow me.

And I would want to lead just right, 
And know that I was true; 
So, walk a little slower, Daddy, 
For I must follow you."
