Welcome to week 8. It’s been a busy week with lots happening. The students are enjoying going into the pool each day, although they are very tired. It’s great to see them all improving so much. Every student is improving, some are improving their strokes and some are becoming more confident in the water, which is half the battle when trying to get kids to swim. Swimming is one of those skills that we need to develop as a child. So far we have had 100% of our students swimming which really is a great effort. We will not be swimming again this week as we are going to Aussie World on Thursday and the North Burnett swimming carnival is on Friday. We will not swim again until Tuesday.

Moving towards 2015

On Monday this week I attended a budget workshop with Mrs Harvey. We were working on putting a budget together for next year. We have to think about our targets and goals for next year and make sure the money goes to supporting those targets. Our target for next year is to improve writing across the North Burnett. This is a goal that will be met in our school using specific strategies and actions. On Tuesday next week we will be hosting a number of visitors into our school to put together a plan that we can implement and share within our cluster next year.

Aussie world trip

This week we are heading to Aussie World for the day. The students are all very excited and I am sure they will have a great day. Aussie World is a lot of fun but can also get very hot, so please remember to bring a hat and water bottle. I would like to ask all students to wear their school uniform on the day so it makes it easier for us to identify them in a crowd or on a ride. The bus will be leaving Bjinjor School at 6:30 am. We will pick up any people in Gayndah at 6:45 at the town hall.

Mundubbera District Swimming

Last week 2 of our students participated in the Mundubbera District Swimming carnival. Chelsey and Rhythm both did extremely well and have both made it to the next level (North Burnett). Both students will be also swimming in the carnival this Friday in Mundubbera. Well done to both swimmers and good luck on Friday.

Small school swimming carnival

There will be a small schools swimming carnival on the 5th of December in Mundubbera.

Tuckshop

There will be no tuck-shop this week.

Secret Santa

On Wednesday last week, most of the students were given an envelope to take home with the information of who they need to buy a Secret Santa gift for. I encourage that the gift you buy is no more $5. All gifts need to be brought into school by Tuesday 9th December.

Prep - Year 3 News

Two more sleeps until we go to “Aussie World”. We are all very excited!

Tomorrow we will start building our rubber band boats.

Remember to keep practising our lines for the play.

The pool was cool and refreshing today. Everyone is working very well and improving.

It is very hot, so remember hats and water bottles.

Cheers, Deb

Community Notice

Children aged 3 & 4 in 2015 and their parents are invited to attend our OPEN DAY
Monday 8th December from 9.30 to 11.00am
Come along to the Kindergarten, join in the morning’s activities and share morning tea. This is a chance to have a look at our facilities and talk to the Teacher and Educator. Details will be provided on the requirements necessary to enrol your child in Kindergarten next year.
