School News

Welcome to week 4 of term 4. We are certainly getting going towards the pointy end of the year.

Last week we had a P&C meeting, a big thank you to those who were able to attend on the day. We discussed the end of the year day, when we usually go away as a group for the day. It was decided to take the students to Bundaberg for the day. We have booked into Gymfinity for a 90 minute session, we are also going to go to the park for lunch and visit the little zoo at Alexandra Park. We are still looking at options for the morning session but we are looking into the BRAGS program which is a free program offered through the Bundaberg Regional Art Gallery. This is always a great day and I know it’s something the students look forward to every year. We are still looking at things we can do on the day so if anyone has any other ideas please let me know. We are trying to keep the days cost to a minimum.

National Curriculum (what we do in school)

This week the older students have been working on factors and Multiples, with the younger students working on Data collection, graphing and presenting of data. In literacy we are looking at poetry.

School Swimming

School Swimming will be in weeks 8 and 9. We will be swimming every day in Mundubbera as we need to fit in 10 swimming lessons. We will remind parents closer to the time.

Preprep Program

On Thursday this week we will be starting our preprep program. The day will run from 9am to 1pm. At the moment we are welcoming 2 new prep students for next year. Matilda Adams and Bethany Bigg, I am sure they will enjoy their time here.

Cheers Andrew

Tuckshop $4.50

Tuckshop this week is Nachos with sour cream, Popper and packet of Chips $4.50
We spent a very busy day today in Mundubbera for Life Education. Our lower school spent their time looking at healthy food and eating practices and became superheros. The older group spoke about drugs and focussed mainly on cigarettes and the damage they can do to your body. Of course Harold Giraffe was there for a little chat and some cuddles. All the students enjoyed the day out and found the program worthwhile.

We have started our Poetry in English, we have been busy learning about the syllables and count beat and the rhyming pattern. We have looked at simple poems like Baa Baa Black Sheep and Jack Sprat. These have been an easy introduction into poetry for the kids.

With end of year celebrations coming close, just a note to let you know that the younger class with be presenting a song along with some poetry recitals...Stay tuned.

Hope everyone has a great week!

Cheers Angela
Money can’t buy happiness, but it can buy chocolate, which is pretty much the same thing!

**Riddles**

Q. A house has 4 walls. All of the walls are facing south, and a bear is circling the house. What colour is the bear?

A: The bear is white because it is on the north pole.

Q: If an electric train is travelling south, which way is the smoke going?

A: There is no smoke, it is an electric train.

Q: A frog jumped into a pot of cream and started treading. He soon felt something solid under his feet and was able to hop out of the pot. What did the frog feel under his feet?

A: The frog felt butter because he churned the cream and made butter.
