Welcome to our School Newsletter for week 5.

Today we had our own Melbourne Cup day with fascinator making and a class sweep. Of course no money was exchanged, but there was a chocolate prize for the first across the line. In the senior group this week we have been looking at poetry and song lyrics. We have been looking at the messages in the words. It has been interesting to decode some songs and some of the different messages we all get from these songs. I must admit I think the older music had a much clearer message than the modern stuff, maybe we were just a bit slower back then. I was a little concerned when the students told me they had never heard of U2. (What are we teaching our kids?)

Uniform reminder
A final reminder, we have sent a note home asking parents to let us know if they will be ordering some new uniforms for next year. These orders need to in by Thursday the 5th of November. We need an idea of how many shirts we need before we place an order.

School Swimming
School Swimming will be in weeks 8 and 9. We will be swimming every day in Mundubbera as we need to fit in 10 swimming lessons. The lessons are not at a great time so please ensure your child has a Rashi (swim shirt) and sunscreen.

Preprep Program
On Thursday this week we will be continuing our preprep program. The day will run from 9am to 1pm. At the moment we have 2 new prep students for next year.

Cheers Andrew

Fascinator making
What is the only six letter word that ends in ‘amt’.

Q: A man was driving his truck. His lights were not on. The moon was not out. Up ahead, a woman was crossing the street. How did he see her?

Q: A man leaves home and turns left three times, only to return home facing two men wearing masks. Who are those two men?

Q: They come out at night without being called, and are lost in the day without being stolen. What are they?

A: It was a bright and sunny day!
A: A Catcher and Umpire.
A: Stars!

Put "eat chocolate" at the top of your list of things to do today. That way, at least you'll get one thing done.
