Cluster Meeting
Tomorrow I will be attending a North Burnett cluster meeting at Gayndah State School.

Agenda Items
8.30 for 9.00 Start-cluster business
Planning for Cluster, Professional Development 2016
Curriculum Forum Information (About 1 hour)
School strategic planning documents, data literacies, AIP planning information (About 1.5 hour)
Time to work on completing your draft AIP for 2016.

These plans are linked to what targets we will be setting in 2016 in terms of student achievement.

While I am away Mr Hartwig will be here.

I will also be away on Thursday attending a budgeting meeting with Mrs Harvey. This meeting involves wrapping up all the finances for this year's budget and setting the budget for next year.

This is a day where I can put money aside for resources and activities that we want to do and buy next year. Such as school camp, sports equipment, books etc.

Mr Turner will be here on Thursday for me.

Sick children
Please remember if your child is not well please keep them at home. There are a number of viruses etc going around both Mundubbera and Gayndah at the moment. We don't want to share it around, and of course children do like to share.

School Swimming
Our students begin school swimming next week. We will be leaving school at 12:00, swimming lessons start at 12:30 and go for about 1 hour. Please make sure your child has a swimming shirt of some sort as swimming gets that time the sun will be hot.

Cheers Andrew

Tuckshop $4.50
Tuckshop this week is Chicken Strips and Salad with a popper and packet of chips.
This week we continue on our term assessments. Up until the end of term we will be doing Maths and English assessments each day, which will allow the students to work slowly and at their own pace. Home work will be spelling and reading.

Next week we start our swimming lessons. We have talked about what we need to bring as a group and what will be happening at swimming. They all seem to be really keen to get into the water, which is great.

Each child for our end of term night will be doing poetry and a song. Your child should have a copy of both of these in their homework folder. Please take a few minutes each night reading through these so they have time to practice.

Our daily lessons have changed slightly to allow time for assessments to take place. Students have been watching The Magic School Bus, doing puzzles, threading, craft and reading time. All these activities are still part of our curriculum and encourage children to work in group situations. But also gives their little brains a rest as well.

If you have any questions about what we are learning or how your child is going with their assessments please drop a line or pop in for a chat.

Cheers Angela
**Reminder - P&C - End of Year Books**

Once again the P&C are purchasing books for each student to be presented at our end of term night. Could parents please choose a book/books from this month's Book Club to the value of $15 per child and the P&C will foot the bill, as the children's end of year gift. **Please mark these book/books with a ‘C’ next to their choice/choices so we can distinguish them from other orders.** Please return all orders to the school by 23rd November to ensure orders are here before the end of term.
